ORGANISATION EXPERIENCE	
Experience of the Organisation	165+ years in the field of education (Established 1860). CSR Registration No.: CSR00000197 MES operates KG to PG institutions across Maharashtra including Pune, Navi Mumbai, Saswad, Baramati, Nagar, Chiplun, and Kasar Amboli. **Key projects:** Engineering College, Law College, Sr. College, multiple schools including residential military school for girl students.
PROJECT DETAILS	
Place of Execution of Project	MES Rani Laxmibai Mulinchi Sainiki Shala Campus, Kasar Amboli, Mulshi Taluka, Dist. Pune, Maharashtra
Reason for Choice of Place	• School is the only girls' military residential school in Mulshi Taluka, serving 630 students from across Maharashtra. • Current sports infrastructure is critically inadequate — no 400m track, no covered courts, no lighting for evening practice. • Rural/semi-rural location with limited access to sports facilities. • School has government recognition for military training for girls (Maharashtra Govt. resolution, 1995). • High potential for producing state & national level athletes.
Tenure of the Project	18 Months

PROJECT OBJECTIVES	
Objective of the Project	1. Infrastructure Development: Build international-standard sports facilities including 400m running track, two covered stadiums, and multiple sports courts. 2. Sports Excellence: Enable students to compete at district, state, and national levels. 3. Holistic Development: Promote physical fitness, discipline, leadership, and teamwork through sports. 4. Gender Empowerment: Provide equal, world-class sports opportunities exclusively for girl students. 5. Community Engagement: Create a regional sports hub accessible to the wider community.
MAHINDRA AND MAHINDRAALIGNMENT & JUSTIFICATION	
Reason for Organisation Preferring FUNDING ORGANISATION	Nearest **MAHINDRA AND MAHINDRA** Business Unit: **MAHINDRA AND MAHINDRA**Pune / Maharashtra Territory Alignment with **MAHINDRA AND MAHINDRA**Thrust Areas: • Education (Schedule VII - ii): School provides quality education to 720+ girl students from rural Maharashtra. • Sports (Schedule VII - xii): Project directly promotes rural sports and Olympic/national-level sports training. • Gender Empowerment: 100% focus on girl students; aligns with **FUNDING ORGANISATION**'s commitment to women empowerment. • Community Development (Schedule VII - x): Rural school; project benefits surrounding community of Mulshi Taluka. Why **MAHINDRA AND MAHINDRA** Should Consider This Proposal: • High-impact investment with 2,000+ direct & indirect beneficiaries. • Addresses critical infrastructure gap in an underserved rural area. • Long-term sustainability ensured with maintenance plan & revenue model. • MES is a 165-year-old institution with proven track record. • Project aligns with Khelo India, Fit India, and Beti Bachao Beti Padhao.
