

Concept Note for MES Kalamboli Campus

Field	Details
Title of the Project	Redevelopment of School Building – MES Dnyan Mandir (Gyanmandir), Kalamboli, Navi Mumbai
Project Description	Complete demolition of existing unsafe school building and construction of a new G+5 storey modern school campus housing Marathi Medium & English Medium units with 79+ classrooms, 10+ labs, library, seminar halls, computer labs, skill labs, cafeterias and all modern amenities.
Executing Organisation	Maharashtra Education Society (MES), Pune
Registered Address	MES, Pune (Head Office); Implementing Unit: MES Dnyan Mandir, Plot No. 04, Sector-14, Kalamboli, Navi Mumbai – 410 218
Contact Person	Shri. Sachin Ambardekar CEO of MES (Contact Number:7720062425)
Experience of Organisation	165+ years (Est. 1860); 160+ institutions across Maharashtra; 35000+ students annually
Place of Execution	Plot No. 04, Sector-14, Kalamboli, Navi Mumbai – 410 218
Reason for Choice of Place	Existing school site under 60-year CIDCO lease. Mandatory reconstruction as per lease terms. Growing student community requiring modern educational infrastructure.
Tenure of Project	36 Months (3 Years) from date of approval
Total Cost of the Project	Rs.48,00,00,000/- (Forty-Eight Crores Only)
Funds Requested from MAHINDRA AND MAHINDRA	Rs.43,20,00,000/- (Forty-three Crores Twenty Lakhs Only)
Funds from Other Sources	Seeking support from CIDCO, State Government grants, other CSR partners and MES corpus
Objective of the Project	To provide a safe, modern, fully equipped school building for 1,500+ students annually from economically weaker and middle-income communities of Kalamboli, Navi Mumbai.
Reason for Choosing MAHINDRA AND MAHINDRA	MAHINDRA AND MAHINDRA has significant presence and operations in Navi Mumbai and the broader Mumbai Metropolitan Region. The project aligns perfectly with MAHINDRA AND MAHINDRA's CSR thrust area of Education (Schedule VII). MAHINDRA AND MAHINDRA's support will create a lasting, visible educational legacy in the community surrounding its area of operations.
Quantitative Benefits	1. 1,500+ students benefitting annually 2. 79+ classrooms created 3. 10+ specialised labs 4. 60+ staff members 5. 15,000+ cumulative beneficiaries over 10 years
Qualitative Benefits	1. Safe learning environment eliminating structural risks 2. Enhanced academic outcomes through modern facilities 3. Improved enrolment & reduced dropout rates 4. Digital literacy for all students 5. Empowerment of girl students
Approvals Required	Yes – CIDCO (Lease Renewal & Building Permission), NMMC (Building Plan Approval), Maharashtra Fire Dept. (Fire NOC), Maharashtra PWD (Structural Approval)
Similar Projects Executed	Yes – MES has constructed and managed multiple school and college buildings across Maharashtra over its 165-year history.
Separate Bank Account for MAHINDRA AND MAHINDRA	Yes – A separate dedicated bank account will be opened for MAHINDRA AND MAHINDRA CSR funds as per MAHINDRA AND MAHINDRA guidelines.
